## STEP 5:

### BEGIN THE PROGRAM!

The Welcome Video will begin to play immediately!

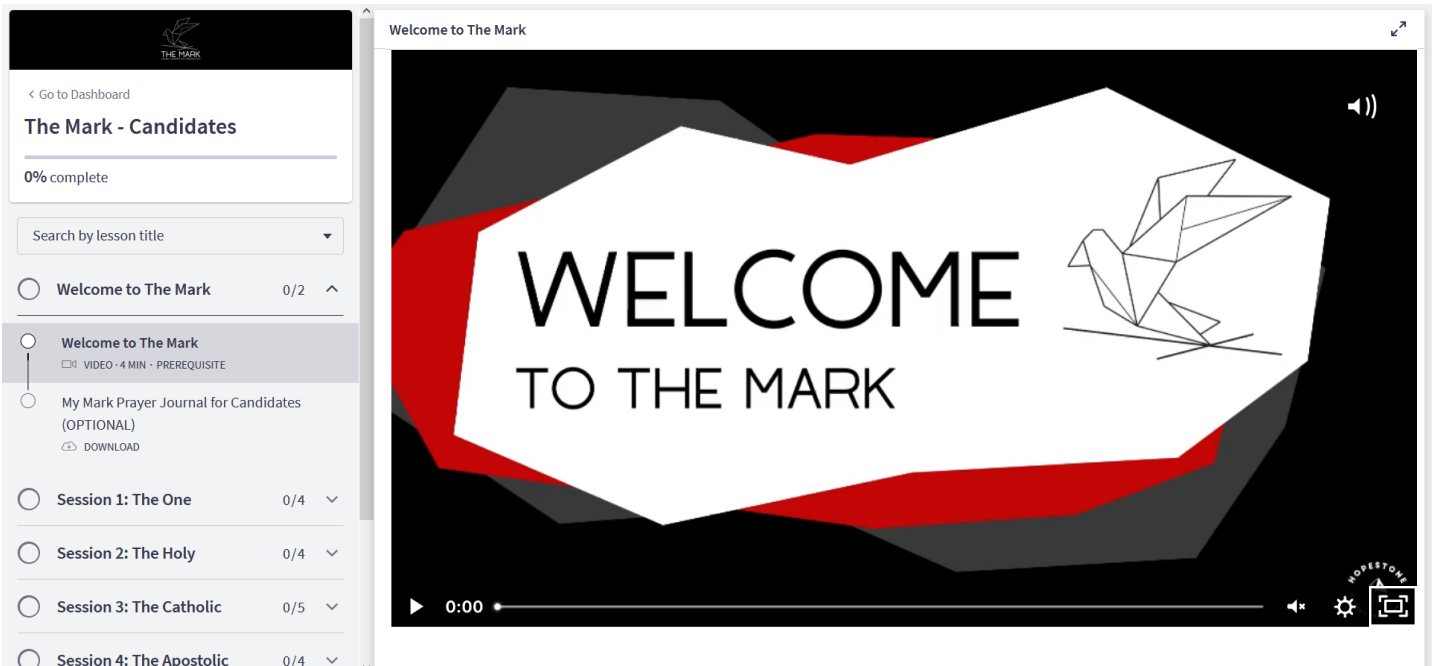

Below that is an OPTIONAL Printable Journal that Candidates can choose to use as they go through the program. This is for them and not to be shared with the parish.

Follow along the menu sidebar. You will see that videos will only open once the previous video or activity is complete. This means you cannot skip or fast-forward through a section.

At the end of the session is a journal section. This is for Candidates and perhaps a parent to answer together. Simply type in your answers. Try to be as honest as possible, this is for your Confirmation journey, which means you can be true to how you feel. These answers will be sent to your Youth Minister or parish Confirmation Coordinator.

Work through the sessions on your parish schedule.

We truly hope that you enjoy this experience and are here if you ever need assistance.
